Fiscal Management

Funding Channel

AB104 legislation states that each Consortium may decide to designate a fiscal administrator to receive and distribute AEBG funds. If a member agency is chosen to be the fund administrator, the member shall commit to developing a process to apportion funds to each member of the consortium pursuant to the consortium's adult education plan within 45 days of receiving funds appropriated for the program. This process shall not require a consortium member to be funded on a reimbursement basis.

Please select the option that best describes how funding should be disseminated to your Consortium from the state.

- The consortium has designated a fiscal agent
- The consortium has chosen direct funding

Yosemite Community College District

Rationale

Provide details regarding the rationale for your fiscal structure decision. How did you arrive at the decision? What were the overwhelming benefits to using this structure?

The Adult Education Stanislaus Mother Lode Consortium will continue to elect a designated fiscal agent in YCCD: MJC Career Technical Education, Community Education and Workforce Development Division. Pedro Mendez Dean of CTE, Community & Workforce Development is the Project Director. Teresa Scott, Executive V Chancellor of Fiscal Services. The YCCD will disburse Allocations directly to each individual Consortium Member. Allocation amounts will be approved by the AE Stanislaus Mother Lode Consortium Board, under the stated governance procedures submitted. YCCD, as a fiscal agent, will verify grant expenditure and related work through QSS accounting systems and a quarterly narrative system.

Fiscal Management Approach

Whether using a fiscal agent or direct funding model, describe how you are fiscally managing your block grant. How are you rolling up grant expenditures to report to the State?

YCCD will disburse allocations directly to Stanislaus Mother Lode Consortium Member Districts. YCCD, as a fiscal agent, will verify grant expenditure and related work through QSS accounting systems and a quarterly narrative system.

Allocation Changes

Please describe any significant changes in allocations to members made for the 2015-16 and / or 2016-17 program years.

2015-16 Allocation amounts are less than 2016-17 based on less monies received through AB104 as a result of MOE allocations paid directly to Consortium Members. Additionally, Riverbank USD and Big Oak Flat-Groveland USD opted to reduce their 2016-17 Allocation and contributed this amount back to The Stanislaus Mother Lode Consortium Regional Fund to provide additional services to other districts. This allocation change was approved by all

Consortium Members.

2016-17 and 2017-18 allocations approved by AE Stanislaus Mother Lode Consortium remain the same.

Consensus and Approval

Describe how you arrived at consensus and approval of the allocations provided in the table above.

The AE Stanislaus Consortium requested 2016-17 revised budgets and work plans and 2016-17FY work plan proposal requests for review. Three public meetings were held on October 10, 2016, November 14, 2016 and December 12, 2016. Consortium members presented requests. Requests were reviewed, discussed and voted on.
