46 About Students Regional Consortium, Riverside

Fiscal Declaration

CONSORTIUM NAME: 46 About Students Regional Consortium, Riverside

FUNDING CHANNEL: Direct Funded

NARRATIVE: The ABOUT STUDENTS Consortium has utilized the direct funded disbursement method for the past 3 years. Due to the success and ease of funding disbursement, members have agreed to continue with the method, unanimously.

CHANGES: During public and leadership meetings, the ABOUT STUDENTS Consortium members discussed the additional funding allocated to the region for COLA. Since a COLA had been accounted for with the original allocation distribution, the members sought to use the additional funds for program growth and development in unmet gaps in the region. Most members have been able to meet program growth needs and develop programs with funds already available. Corona-Norco Unified School District presented a proposal to re-build its short-term Career Technical Education program, which has not been possible due to lack of funding in its allocation. As a result, the members voted to support awarding the additional funding for development of short-term CTE programs at Corona-Norco Unified School District Adult School.
