

CAEP Allocation Amendment: 2019-20 Produced: Jun 19, 2019, 7:52 PM UTC Blanca Rochin

## 06 Partnership for Adult Academic and Career Education

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 06 Partnership for Adult Academic and Career Education

**Funding Channel:** Direct Funded

**Narrative:** The PAACE consortium allocation will remain consistent with prior year allocation and include a standard Cost Of Living Allocations (COLA) to all members. The PAACE team members engaged in a robust discussion regarding redistribution of resources so that they reflect the objectives and goals that will be included in the current PAACE 3-year plan. A Unanimous agreement was not reached, therefore allocations will revert back to across the board. Given PAACE consortia ongoing activities and those adjustments and new proposals, it is expected that each member utilize allocated funds to address program areas, objectives, and activities as described in the PAACE plan given their allowable expenses.

**Changes:** The change that was enacted and agreed upon by state requirement that PAACE members agree to the terms defaulted to the status quo allocation. COLA was distributed among all PAACE members as an across the board distribution. The adjusted PAACE consortia totals per member were augmented by their total budget of the prior year.
