Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 21 Salinas Valley Adult Education Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: The 19-20 allocation schedule will enable SVAEC Members to maintain current levels of service by funding each Member at its 18-19 amount. CAEP funding has and will continue to be used for activities approved in its 3-Year and annual plans, including: 1) Instruction (adult ESL, Citizenship Prep, Digital Literacy, Basic Literacy, ABE/ASE, HSD and HSE, Workforce Readiness, and CTE); 2) Support Services (student outreach, onboarding, advising, and transition support; reduction of barriers like childcare and Learning Disabilities assessment; career training; and parent/guardian training to support child school success); 3) Program Administration (including clerical functions for student intake and ongoing data collection and reporting); 4) Professional Development; and 5) Consortium administration and collaboration (including governance and compliance; marketing and outreach; and partnership development). The Consortium agreed to complete its new 3-Year Plan and 19-20 Annual Plan before determining how to utilize the extra funding it expects to receive in 19-20 (\$125,966); as such, those funds are being placed in the Consortium Shared Fund with the goal to decide how best to use the extra funds by late summer/early fall. These decisions were approved unanimously by all SVAEC Members at an open and public meeting of the SVAEC Steering Committee on April 24, 2019.
