23 Kern Adult Education Consortium

Fiscal Declaration - Consortium Approved

Consortium Name: 23 Kern Adult Education Consortium

Funding Channel: Direct Funded

Narrative: At it's regularly scheduled meeting on 4/12/19, the Kern Adult Education Consortium unanimously agreed to allocate the 2019-2020 COLA to each member based on each members percentage of total students served from the 2017-2018 Cal-Pass Plus Launchboard Data. Because of Sierra Sands Adult School and Muroc Adult School not having student data in Launchboard, it was agreed that they would each receive the same COLA allocation as the smallest percentage of total students served of \$1,500, which would be taken out of each members COLA increase based on the same percentage of their increase. KCCD and Kern High School District also agreed to take \$25,000 out of their budget to give start-up funding to two new members, Inyo County Office of Education and Trona Joint Union High School District.

Changes: COLA increase was based on percentage of students served for 2017-2018 in Cal-Pass Plus Launchboard. Trona Joint Union High School District and Inyo County Office of Education are now service providing members of the consortium.
