## 37 North Orange County Regional Consortium for Adult Education (NOCRC)

### Fiscal Declaration - Consortium Approved

**Consortium Name:** 37 North Orange County Regional Consortium for Adult Education (NOCRC)

**Funding Channel:** Fiscal Agent

**Fiscal Agent:** North Orange County CCD

**Narrative:** NOCRC is led by its Executive Committee, individual workgroups correlated to the AEBG program areas, and one combined workgroup all of which are comprised of representatives from NOCRC's Members and supported by NOCRC staff. Each year the Workgroups go through an in-depth collaborative process of developing instructional and student support strategies based on student need. These strategies and corresponding budgets are then presented to the Executive Committee for formal approval via a voting process. This process was followed during AB86 and resulted in the state-approved NOCRC Regional Comprehensive 3-Year Plan (RCP). The majority of the strategies presented each subsequent year are the continuation and/or the evolution of prior strategies. In the event new strategy proposals are presented, the RCP is amended with all approved strategies via the Annual Plan process. The primary provider of adult education within the NOCRC region is North Orange Continuing Education (NOCE), the noncredit institution of the North Orange County Community College District (NOCCCD). Therefore, the approved NOCRC strategies are delivered by NOCE hence the NOCCCD receives the entire AEBG allocation.
