Corrective Action Plan

We are below target, because a new hire did not start until mid-August and a large textbook purchase has not been posted. Plans continue as expected, and we expect to meet target for Q2.

Summary of Activities:

Palomar faculty have been developing curriculum for College Preparatory Math and Language Arts; Palomar team is participating in professional development for Integrated Education and Training (IET); ESL faculty will take part in active learning professional development; Planning underway for 3rd annual Path to Palomar event to take place on February 26th; and the 1st combined career fair to take place on May 7th; Work continues on curriculum alignment as we look to clarify/bridge pathways from adult schools to Palomar in English and Math.

Corrective Action Plan

Activities continue as planned. Not all of Q2 payroll or indirect is posted at this time. We expect once all items posted that we will be at targeted expenditures.

Summary of Activities:

In quarter two, Palomar College continued its work to implement integrated education and training through the pre-apprenticeship program being offered with partner San Marcos Adult School. We are now offering ESL on the new Fallbrook campus and continue to offer at community locations throughout our service area. With ETCN, we held our community forum and are gearing up for our third annual Path to Palomar event to occur in quarter three.

Corrective Action Plan

We are below our estimated target due to some expenditures haven't been posted.

Summary of Activities:

This quarter's activities include a continuation of our ASE, ABE, ESL/Citizenship and CTE instructional programs and related support through counseling and guidance, employer outreach, and technology integration. We are continuing to refine our newly implemented integrated education and training program models, though have experienced a few

bumps in the road with staffing. We hope to have issues resolved soon and are moving forward. Our PLC's are developing nicely. We are committed to participation in a variety of professional development activities and are participating in the CAEP TAP (CALPRO) regional training on IET Communities of Practice. Poway Adult School is gearing up to participate in our ETCN's annual "Path to Palomar" Open House event to be held in February.

Totals	\$589,918	\$685,228	86.09%	\$1,510,316	39.06%	\$920,398

Corrective Action Plan

Although it may appear that expenditures fall below target, we are expending according to plan and expect to be on target by the end of the year. Some expenses are not charged until the end of the year. Also, the majority of our expenditures are in salaries (and related benefits). Because quarters one and two have significantly fewer work days than quarters three and four, expenditures are low in these areas.

Summary of Activities:

In quarter two, Poway Adult School continued its work to implement integrated education and training programs, have continued our teacher advising, and have participated in a community of practice for IET. With ETCN, we held our community forum and are gearing up for our third annual Path to Palomar event to occur in quarter three.
