Summary of Activities:

These expenditures covered the delivery of instructional programs for ABE/ASE, CTE, ,ESL and Citizenship, Adults with Disabilities, and programs for adults re-entering the workplace, and programs for adults helping their children to be successful in school. Students were provided transition services that helped with college enrollment and also certification and internship programs. The growth and expansion of the Trades programs Construction and Electrical Certification, has provided opportunities for student training in these areas of high demand. Operating expenses include utilities, security services and conferences that promote professional growth for teachers.

Totals	\$433,254	\$255,661	169.46%	\$568,135	76.26%	\$134,881

Summary of Activities:

The expenditure of funds were used to maintain the current instructional programs, which consist of Adult Basic Education, English as a Second Language, High School Equivalency-GED Prep, and Career Technical Education-Business Pathways classes. An additional ESL-Citizenship class and a CTE-Business and Employability class were added this year. Other expenditures includes textbooks, software for our GED Program, and instructional materials.

Summary of Activities:

Funds were expended in areas of noncredit program expansion and to increase student support services. Rio Hondo College expanded its noncredit instructional courses to meet the needs of the community and create pathways to college programs. Noncredit English as a Second Language courses were redesigned and created to offer accessible multi-level educational opportunities to adult students in our community. These courses were approved by the California Community College Chancellors Office. To create seamless transitions into the community college, Counselors were hired to provide support services at each of our consortium member's institution. This collaboration facilitated student awareness on services and programs available within the consortium and Rio Hondo College. As a result, many adult students attending adult schools were encouraged to enrolled in college credit courses. Some adult students enrolled into college for the first time. This achievement would not have been p

Summary of Activities:

Funds were expended to maintain current instructional programs, including the purchase of online instructional software licenses for HSE Prep, ESL, and CTE programs. An additional ESL class at a community site, a CTE Introduction to Construction Fundamentals class, and a "Math Boot Camp" class were added this year. Materials and equipment for these new classes, including technology and instructional tools, were purchased. Additional staff were added to assist with data collection and reporting. A major construction project, which began in 2016-2017 and required that classes be moved to an alternate location, was completed in January 2018, creating ten new daytime and evening ESL and ABE technology-equipped classrooms at the Adult School's main campus. Furniture, classroom storage units, and other necessities were purchased for the new classes. Whittier Adult School also completed its full WASC self-study and Team Visit in March 2018, receiving a 6-year "clear" accreditation term.
