## 46 About Students Regional Consortium, Riverside

### Fiscal Declaration - Consortium Approved

**Consortium Name:** 46 About Students Regional Consortium, Riverside

**Funding Channel:** Direct Funded

**Narrative:** The ABOUT STUDENTS Consortium allocation distribution aligns with the annual plan focusing on sustaining members' program offerings, expanding short-term CTE programs and improving outreach and communications. The 3-Year Planning process has identified goals and strategies for regional focus and activities that members will engage in to build cohesive efforts and increase services.

**Changes:** The ABOUT STUDENTS Consortium will continue to be direct funded for the 2019/20 school year. Currently, no changes in the fiscal structure will occur. However, the funding amounts for some of the members will change as a result of the COLA. Due to the proposed COLA increase, the members of the ABOUT STUDENTS Consortium decided to distribute additional funding available based on individual member's proposals. Members requesting additional funding presented their proposals during a public meeting in which discussion and consensus on the 2019/2020 allocation was decided. As a result, Alford Unified School District, Jurupa Unified School District, Moreno Valley Unified School District, and Riverside County Office of Education were all awarded a portion of the COLA.
