## 46 About Students Regional Consortium, Riverside

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 46 About Students Regional Consortium, Riverside

**Funding Channel:** Direct Funded

**Narrative:** The ABOUT STUDENTS Consortium allocation distribution aligns with the annual plan focusing on sustaining members' program offerings, expanding short-term CTE programs and improving outreach and communications. The 3-Year Planning process has identified goals and strategies for regional focus and activities that members will engage in to build cohesive efforts and increase services.

**Changes:** The ABOUT STUDENTS Consortium will continue to be direct funded for the 2019/20 school year. Currently, no changes in the fiscal structure will occur. However, the funding amounts for some of the members will change as a result of the COLA. Due to the proposed COLA increase, the members of the ABOUT STUDENTS Consortium decided to distribute additional funding available based on individual member s proposals. Members requesting additional funding presented their proposals during a public meeting in which discussion and consensus on the 2019/2020 allocation was decided. As a result, Alvord Unified School District, Jurupa Unified School District, Moreno Valley Unified School District, and Riverside County Office of Education were all awarded a portion of the COLA.
