47 Inland Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 47 Inland Adult Education Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: The Inland Adult Education Consortium Executive Committee voted on April 28, 2017 to continue with San Bernardino Community College District as the Fiscal Agent. The consortium began the AB86 planning phase by following the Collective Impact approach, and having a Fiscal Agent has allowed for greater collaboration between the members resulting in the strengthening of the San Bernardino County Community Cradle to Career Road Map.

Changes: The Consortium Director is housed at the San Bernardino Valley College campus and works with the Fiscal Agent Certifying Officer at the Community College District to have expenditures certified to meet grant deliverables. The Executive Committee decided to remain with a Fiscal Agent and have the Community College District facilitate the regional work and projects outlined in the Regional Comprehensive Plan. Regional project prioritization and approval of all consortium reports is approved and voted on by the Executive Committee; the Consortium Director is responsible for submission of reports to the State AEBG Office. The Consortium Director works with each member of the Consortium that receives an allocation of funding for Consortium projects to ensure funds are managed responsibly and reported to the State. Statutory fiscal responsibility and accuracy are of high importance for the Fiscal Agent; the Consortium Director works closely with each member to follow State regulations.
