# 49 San Francisco Adult Education Consortium

## Fiscal Declaration - Consortium Approved

**Consortium Name:** 49 San Francisco Adult Education Consortium

**Funding Channel:** Direct Funded

**Justification:** We have determined that it will be more efficient for both members for us to use a direct disbursement method.

**Narrative:** The allocations we are electing are consistent with both our annual plan and our three-year plan. We are confident that both members will be able to continue supporting and expanding the work that has been done to date with these funds.

**Changes:** We have determined that it will be more efficient for both members for us to use a direct disbursement method. Since City College of San Francisco serves 97% of the Adult Education students in San Francisco, we agreed that the COLA would be allocated to the college, and the school district will continue to receive the same amount as in previous years.
