54 Santa Barbara AEBG Consortium

Fiscal Declaration - Consortium Approved

Consortium Name: 54 Santa Barbara AEBG Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Santa Barbara CCD

Narrative: The Santa Barbara Consortium agreed to allocate all funds to a single member fiscal agent, Santa Barbara City College, to enable the ease in fund management. The AEBG Coordinator, Corlei Prieto, is responsible for tracking the approved budget and all expenditures related to all program areas. Each program area has a program lead who reports expenditures directly to the AEBG Coordinator. The Coordinator verifies the Consortium approved expenditure, obtains approval by the AEBG Chair, and submits for payment by the fiscal agent. The fiscal agent has created an AEBG account that reflects each Consortium approved expenditure and certifies those expenditures prior to submitting its bi-annual report to the State. The planned allocations are consistent with the annual plan and continue to meet our Consortium's estimated outcomes by providing programmatic needs and services and implementing new programs with Santa Barbara City College and external community partners. The Consortium is dedicated to: 1) Continue building bridges to credit for existing and new AEBG programs. 2) Establish a Job Placement Assistance & Internship Program. 3) Fill gaps in Short Term Vocational Training in Industrial Technologies 4) Establish a program for Learning Assistance & Supervised Tutoring (focused on preparatory mathematics and English). 5) Establish an Adults with Disability Career Planning and Training certificate serving as preparation for further career technical and/or job placement assistance. 6) Maximize tuition free offerings in allowable AEBG areas to cross-pollinate with WIOA and Strong Workforce initiatives. 7) A commitment to the collection of accurate data and analytics for all AEBG programs and services.

Changes: The Santa Barbara Consortium agreed to allocate all funds to a single member fiscal agent, Santa Barbara City College, to enable the ease in fund management.
