Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 55 Santa Clarita Valley Adult Education Consortium

Funding Channel: Direct Funded

Narrative: As a two-member consortium, we engage in a coordinated effort to reach consensus on activities and budgets and align the allocations accordingly. Allocations are proportionally equivalent to past years' allocations and reflect the financial needs of each member to support adult students in the Santa Clarita Valley. The method of direct funding allows us a more efficient means of access to funding for each member. Our regular fiscal and activity reports are discussed with the consortium management team and submitted as informational board reports. After discussion, budget and narrative reports are submitted by each member and certified.
