58 Shasta-Tehama-Trinity Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 58 Shasta-Tehama-Trinity Adult Education Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: All member agencies are assuming allocations that will be used to implement and or support activities that are aligned with the consortium approved annual and 3-year plans. The Shasta Tehama Trinity Adult Education Consortium will focus on improving transitions from existing high school diploma, GED/HiSET, ESL and CTE programs to employment or higher education. The Student Services Coordinator will support this transition activity with all members. In addition, programs will focus on the issues of performance and persistence to improve the overall outcomes of the programs. This focus will include intentional relationship building activities between students and staff. The consortium with being expanding out noncredit offerings to meet regional labor market demand and student need.

Changes: All members took a smaller COLA to allow for Mountain Valley to receive an allocation for the 19.20 year. The STTAEC adopted a fiscal policy that now requires allocations to be spent within 18 months or funds must be returned to the consortium for re-distribution.
