## 64 State Center Adult Education Consortium

### Fiscal Declaration - Consortium Approved

**Consortium Name:** 64 State Center Adult Education Consortium

**Funding Channel:** Fiscal Agent

**Fiscal Agent:** State Center CCD

**Narrative:** The State Center Adult Education Consortium (SCAEC) will continue to use our allocation in accordance with the three year and annual plan. Each member received additional funds to increase capacity at their schools and to also partner with members within their sub-region on special projects. We will continue to increase program offerings in adult basic education, courses for immigrants, concentrating on ESL and Citizenship classes, improve special education services, offer new high demand short term CTE courses as recommended by current labor market information, strengthen the regional Pre-Apprenticeship program, and continue the transitions services and data collection by the SCAEC office staff. We will continue to work with our members and partners on the Community Pro Suite and have implemented consortia wide use of Aztec software to streamline curriculum.

**Changes:** The original COLA amount of \$585,593 was divided equally among 18 members (each college has one vote on our board, but receive one allocation for the entire college district). The additional COLA amount of \$30,308 will be included in the SCAEC office budget which is part of State Centers allocation listed on the CFAD.
