Three programs did not have adequate enrollment to run (PIQE, Spanish for Educators, and Numeracy). We added a math tutor to the adult diploma program, and will be offering summer sessions for Adult Diploma (this will be the first time) and ESL. We are expanding our ESL program to one of our elementary schools, for parents to access during evening computer lab hours for students.

**Expenditure is below the forecasted target. Please provide an explanation:**

Three programs were cancelled due to lack of enrollment (PIQE, Spanish for Educators, and Numeracy) We have hired a math tutor to support adult diploma students. We will offer a

summer session for adult diploma students for the first time, and we are expanding our ESL program to one of our elementary schools, to serve parents during evening extended computer lab hours for students.
