Narrative: As the allocation is being expended by the same entity (West Kern Adult Education Network) as always, the change is only a matter of paperwork. The annual plan has not been changed and is performed by West Kern Adult Education Network in exactly the same way. The planned allocations are consistent with the annual adult education plan which is based on our AEP 3-year plan as follows: 1. Programs in elementary and secondary skills, including those leading to a high school diploma or high school equivalency certificate. 2. Programs for immigrants in citizenship, ESL, and workforce preparation. 3. Programs for adults, including, but not limited to, older adults, that are primarily related to entry or reentry into the workforce. 4. Programs for adults, including, but not limited to, older adults, that are primarily designed to develop knowledge and skills to assist elementary and secondary school children to succeed academically in school. 5. Programs for adults with disabilities. 6. Programs in career technical education that are short term in nature with high employment potential. 7. Programs offering pre-apprenticeship training conducted in coordination with one or more apprenticeship programs approved by the Division of Apprenticeship Standards
