71 Adult Education Pathways

Fiscal Declaration - Consortium Approved

Consortium Name: 71 Adult Education Pathways

Funding Channel: Fiscal Agent

Fiscal Agent: Siskiyou Co. Office of Education

Narrative: The consortium, as a whole, has worked diligently to build a foundation based on overcoming regional needs such as geographical and access barriers and developing relationships with community partners and the local business industry. Curricula is aligned, up-to-date and informed by current learning theory and promising practices with well-articulated instructional goals of reasonable scope and sequence. The consortium members, though geographically spread out in our rural county, communicate effectively and collaborate as a team to give adult learners the opportunity to succeed. The consortium has documented processes and procedures for facilitating collaboration and coordination through a shared team drive, a newly developed Adult Education Pathways Google group, monthly consortium public meetings and established bylaws. Teams are being developed (Fiscal Team, Data & Accountability Team and Outreach Team) so that all staff can be informed of program guidance, policies and procedures.

Changes: During the 2018-19 year, the STEP office was allocated \$18,031 according to the 2018-19 CFAD that is updated in NOVA. During that year, the members agreed to reduce their allotments in order to give the STEP office a larger allocation (\$65,491). This agreement came to fruition because STEP is our Transitional Coordination and Data manager. All members have agreed to continue with agreement going forward into the 2019-20 year and indefinitely. All members have voted and agreed to allocate the 2019-20 COLA in Siskiyou County Office of Education's allocation. The additional funds are to be used towards licenses and shared resources of the member sites and is Siskiyou County Office of Education's responsibility to coordinate payment of these resources and agreements.
