Dear Ms. Person-Whitley,

This letter of commitment is associated with the proposal submitted on behalf of Antelope Valley Adult Education for the Workforce Development Training Center. This project is under the direction of Jo Morgan-Kim. Antelope Valley Adult Education, a direct funding agency, will provide California Adult Education Program (CAEP) funds in the amount of \$3,873,603 in the form of cash for building construction or other project-related expenses. Carryover Compliance refers to the carryover values and statuses calculated as of September 30, as per Education Code 84914. The progress of funds being expended will be reported quarterly. These funds will be available as needed and are not, nor will they be, conditioned or encumbered in any way that would preclude their use from being consistent with the requirements of the Investment Assistance for a period of five years.

Questions regarding the proposed project should be directed to Jo Morgan-Kim at 661.483.2302. Thank you for considering this application.

Sincerely,

Dr. Carolyn Zachry
