08 West End Corridor/Chaffey Regional AE Consortium

Fiscal Declaration - Consortium Approved

Consortium Name: 08 West End Corridor/Chaffey Regional AE Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Chaffey Joint Union High

Narrative: Despite challenges related to the coronavirus pandemic, member institutions of the West End Corridor Consortium have continued to focus on the needs of their communities and the goals outlined in the 3-Year and Annual Plans. Most programs were offered in a distance learning format using online platforms, which has contributed to growth at the ASE level and in community college dual enrollment. It is anticipated that some extra effort in the area of marketing/outreach will be required to get students to reenroll in the fall, and to attract new students in need of credentials and retraining. At the May 17 fiscal planning meeting, funds were approved to initiate a broadcast and online advertising campaign. Funds were also approved for renewal of the relationship with WestEd in conjunction with the creation of the 3-Year Plan due in August of 2022. The Executive Committee decided that some additional expertise would be necessary to enable the Consortium to be more effective in moving toward its goals, such as possibly a data analyst and a technology/website/social media expert. Funds were approved to bring on part-time, temporary staff, or even use resources that already exist among the member institutions. The consortium-wide account will continue to be managed by the fiscal agent (CJUHSD) and is designated to cover expenses such as the Program Coordinator, professional development activities, collaboration with WestEd on the 3-Year Plan, marketing/outreach, and software platforms such as student data systems and career assessment programs shared by multiple members.

Changes: Baldy View ROP elected to vacate their Consortium membership, effective December 2020. They did not receive an annual allocation in 2020-21, so funds that had been previously allocated reverted to the consortium-wide fund. At the March 2021 meeting, the decision was made to distribute these funds (\$150,000 and related COLA) among members who demonstrated need, namely, Fontana, Chino Valley and Chaffey Adult. All members will take their proportionate share of the 1.49999% COLA, based on their base allocation in 2020-21. The consortium-wide fund will provide for expenses listed above, and any carryover may be used as one-time contributions to finance member facilities needs or pilot projects related to Plan goals and emerging regional needs. This would be accomplished through an allocation amendment. These decisions will be made at subsequent meetings as the need arises.
