12 Contra Costa Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 12 Contra Costa Adult Education Consortium

Funding Channel: Direct Funded

Narrative: In 2019-20, CCCAEC entered the first year of its 2019-22 Three-Year Adult Education Plan and made progress towards meeting stated goals and objectives outlined in both the CCCAEC's California Adult Education Program (CAEP) annual plan and the Three-Year Plan. The 2020-2021 planned allocation, as outlined in this year's CFAD, provides CCCAEC member agencies with the funding levels to continue making progress toward the identified goals of enhancing and expanding the current level of adult education, improving adult learner outcomes, and continuing to strengthen a coordinated regional adult education network that includes aligned and articulated curricula, co-located programs, transitional supports, and responsive referral pathways for essential support services. In 2019-2020, the CCCAEC made substantial progress toward its goal of evaluating current Consortium organizational and operational structures to optimize efficiency and maximize the impact of CAEP funding. The Consortium has identified improvements to internal operations to ensure that time and resources are directed to CAEP implementation. The changes will be implemented starting in 2020-21. The CCCAEC began this structural improvement work in fiscal year 2019-20 with the shift to a direct-funded model, which reduced administrative overhead costs. The Consortium will continue forward into the next fiscal year with this same direct-funded model in place. As part of the effort to optimize funding for CAEP implementation, the CCCAEC also elected to reallocate 2020-2021 common cost funds from regional Transition Specialist salaries to individual member agencies to support a more targeted, site-based approach to transition services. Consortium agencies recognized that funds would have a greater impact in supporting and strengthening transition services if reallocated to individual agencies, thus providing greater flexibility and customization of how transition services are delivered at each site. The CCCAEC will still maintain a common cost fund, allocated to and managed by the Contra Costa Office of Education (COE) for shared expenses such as professional development events, consortium management and accounting services, and procurement of curricula and service tools that support all partners.

Changes: The CCCAEC's 2020-21 CFAD has changes in funding amounts to most members from their 2019-20 CFAD allocation. The CCCAEC's allocation for the FY 2020-21 is \$15,497,433, which includes a COLA of 2.29%, will increase by \$346,943 from the previous year's allocation amount. In fiscal year 2019-2020, \$518,088 of Common Cost funds allocated to the County Office of Education (COE) was budgeted for the three Transition specialist positions. In fiscal year 2020-21, with the COE no longer employing these positions, this amount will be divided evenly and reallocated to each of the eight K-12 adult education members in the amount of \$64,761 to use for supporting student transition services at each respective site. Pursuant to Education Code rules under EC 84914 Section A, the COE's 2020-2021 allocation has decreased by \$586,518 as they will no longer be the employer of record for transition specialist position services. The State approved COLA of 2.29% has been applied proportionally to all CCCAEC members budget requests after the addition of the reallocated amount. Please see the table below for a detailed accounting of the CCCAEC's fiscal year 2020-21 allocations. The CCCAEC members developed and approved the 2020-21 AEP allocation budget through the annual budget development process as outlined in the CCCAEC's governance document. The final allocation budget outlined in this CFAD was approved by board-designated, voting members at the CCCAEC Steering Committee, a public meeting, on April 16, 2020, held remotely due to the COVID-19 Shelter-in-Place directive.
