12 Contra Costa Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 12 Contra Costa Adult Education Consortium

Funding Channel: Direct Funded

Narrative: In 2020-21, CCCAEC member agencies continued to make progress towards meeting the goals and objectives outlined in its annual adult education plan and three-year plan. As the CCCAEC completes the final year of the 2019-2022 three-year plan, it has continued efforts to enhance levels of adult education services and improve learner outcomes while navigating the transition back to in-person learning. The CCCAEC has focused on responding to the needs of its service communities by increasing the availability of hybrid/flexible learning opportunities and strengthening pathways to support services. The Consortium has continued to utilize a sub-regional planning approach to strengthen local partnerships and tailor education and support services to the specific needs of local communities. At County level, the CCCAEC has sought to increase consistency and use of shared data and reporting tools to support data-driven decision making. The 2022-2023 planned allocation, as outlined in this year's CFAD, will provide CCCAEC member agencies with the necessary funding levels to maintain and expand its programming and make progress toward meeting the newly established goals and objectives outlined in the new annual adult education plan and 2022-2025 three-year plan. Funding will support Consortium efforts to optimize and clarify learning/career pathways, increase equitable access to services, and enhance capacity to support seamless transitions. The CCCAEC will also engage in ongoing quality improvement efforts to maximize the impact of education services and CAEP funding. Through its established annual budget development process, facilitated by the CCCAEC Budget and Fiscal Workgroup, the CCCAEC reviewed and approved the funding needs of each member to ensure that allocations are appropriate to support member programming and implement annual and three-year strategies and activities. The budget development process also included thorough review and planning of Common Costs to ensure appropriate resources are available to support Consortium administrative and operational needs.

Changes: The CCCAEC's 2022-23 CFAD has changes in funding amounts to all members from their 2021-22 CFAD allocation. The CCCAEC's allocation for the FY 2022-23 is \$16,604,315 which includes a COLA of 5.33% and is an increase of \$840,225 from the previous year's allocation amount. The Governor's proposed COLA of 5.33% has been applied proportionally to all CCCAEC members budget requests. Please see the table below for a detailed accounting of the CCCAEC's fiscal year 2022-23 allocations. The CCCAEC members developed and approved the 2022-23 CAEP allocation budget through the annual budget development process as outlined in the CCCAEC's budget agreement document. The final allocation budget outlined in this CFAD was approved by board-designated, voting members at the CCCAEC Steering Committee, a public meeting on April 21, 2022.
