Corrective Action Plan

Steps PSUSD will take to address the expenditures falling below target include: asking providers to invoice and send back up in a timely manner. Additionally, PSUSD fell below target because the district used carry over funds first. Moving forward, Palm Springs Unified has just renewed agreements with COD and CVUSD to provide a variety of services. Services provided to Palm Springs include, Adult ESL courses, Adult GED, Adult High School Diploma program, counseling and transition support, clerical support, administrative oversight of data collection, assessment and orientation support for new students/enrollees, as well as other logistical support. Other dollars used is for the counselor supporting PSUSD Adult Ed programs, security agents for evening courses, as well as other support personnel as necessary.

Summary of Activities:

Activities include sending PSUSD reps to CAEP conference and online webinars around various topics supporting the Adult Ed programs offered in district.
