Member Carryover Compliance Status

Description: The Member Carryover Compliance Status table shows how the member's spending is tracking against the allocations for the displayed fiscal year(s) based on expenditures entered as of the time of viewing.

Expenditures: A negative value indicates that current fiscal year spending has not begun, as there are still unused funds from previous fiscal years.

Carryover Amount & Carryover %: If current fiscal year spending has not yet begun (a negative Expenditures amount), Carryover Amount will remain equal to Allocation and Carryover % will remain 100%.

The carry over is being earmarked for upcoming campus improvements and capital outlay. The current Conference Hall will be gutted to upgrade the former kitchen area and offices to a teaching kitchen, the restrooms will be relocated and refurbished according to ADA guidelines, the current meeting space will be upgraded with technology and furniture and will have a soundproof of separation wall so that two conferences can be had at the same time, and finally the HVAC system will be relocated and new.

The excess carryover is a result of school renovation delays in the 2022-23 school year that have carried over to the fall term of 2023. The school district is working on this project and is hoping to begin school renovations in March of 2024. The consortium has approved this project.
