CONSORTIUM APPROVED

2024-25

Fiscal Declaration - Consortium Approved

Consortium Name: 17 Foothill De Anza / NSCCC

Funding Channel: Direct Funded

Narrative: Our consortium expends funds to a) provide adult education services in the CAEP approved areas; b) improve student learning; c) improve teaching and needed resources and staff development; d) provide needed support to students. In addition, we are building career pathways with the community colleges and partner organizations as well as increasing the ease of transition for students. Funds are budgeted and spent according to the CAEP guidelines as outlined in state legislation. Funds are to be dispersed based on the agreed upon percentages: MVLA (42.05%), FUHSD (34.5%), PAAS (18.37%), Foothill (2.54%), De Anza (2.54%). When necessary, dispersed funds will be rounded up or down to the nearest dollar in order for the agency's allocations to be rounded numbers. The method of deciding this is as follows: any remaining funds will go to the adult schools.

Carryover Threshold

Input a percentage of carryover that your consortium agrees will be considered an excessive amount.

Should a member, or members, exceed this carryover percentage upon certification of their Q4 report, they will be flagged as non-compliant with the carryover legislation (EC 84914). One year of non-compliance does not carry a penalty. However, should the same member, or members, have two consecutive years of non-compliance the consortium may agree, by majority vote, to reallocate an amount that does not exceed the carryover to other members.

A consortium does have the ability to opt-out. To do so, simply toggle the carryover threshold button to the off position.

Consortia Report on Governance Compliance of Rules and Procedures v.2

1. Have all community college districts, school districts, county offices of education, or any joint powers authority, located within the boundaries of the adult education region been allowed to join the consortium as a member? *

Yes

2. Have all members committed to reporting any funds available to that member for the purposes of education and workforce services for adults and the uses of those funds? *

Yes

3. How will the available funds be reported and evaluated? *

All consortium members have agreed to report funds available to them from CAEP apportionment and all state and federal grants. We will use the data in Nova to keep track of funds and program use.

4. How will you assure that each member of the consortium is represented only by an official designated by the governing board of the member? *

All voting members of the consortium are officially designated by their respective governing boards as the official representative to the CAEP regional consortium.

5. How will you assure that each member of the consortium participates in any decision made by the consortium? *

We have developed a "Charter" that allows the authorized designee to vote on consortium matters of governance. Adequate notice will be given regarding matters of governance, so members may seek input and have ample time to consider matters that need a decision before the consortium meets. The members of the regional consortium have agreed to meet regarding consortium business and activities at least quarterly and ideally on a monthly basis.

6. What will be the relative voting power of each member? *

1 institution = 1 vote (thus giving districts with multiple institutions multiple votes)

7. How will decisions be approved? *

by consensus

8. How did you arrive at that decision-making model? *

All members of the consortium provided input under the facilitation of our Director. We reviewed said Charter each year and consensus was reached on the bylaws stated within the Charter

9. How will proposed decisions be considered in open, properly noticed public meetings of the consortium at which members of the public may comment? *

Consortium documents such as governing charter, funds distribution, meeting agenda and minutes, and surveys will be posted on the consortium website as appropriate. During the consortium meetings where there is public input, a speaker sign-up sheet will be circulated to solicit any desired audience participation. Audience participants will be given up to three minutes of time to make their comments. The NSCCC Leadership Board will also seek additional comments from advisory boards/board of trustees meetings.

10. Describe how will you provide the public with adequate notice of a proposed decision and consider any comments submitted by members of the public. *

Consortium website will post announcements of public information/input meetings prior to the meeting dates with agenda topics for discussion identified. Consortium decisions, agendas and minutes from meetings will be posted on the official NSCCC website. A link to the consortium website will be posted on each consortium member's website.

11. Describe how comments submitted by members of the public will be distributed publicly. *

Consortium meeting minutes with public comments will be posted on the consortium website to share information about the consortium and public comments about current matters. Information on prior meetings and subsequent actions will be made available in an archive section of the NSCCC official website. A link to the consortium website will be posted on each consortium member's website. Documents will be downloadable PDF.

12. Describe the process by which the consortium will solicit and consider comments and input regarding a proposed decision from other entities located in the adult education region that provide education and workforce services for adults. *

The NSCCC regional consortium has identified a variety of "Partner" Agencies in the region. Joint meetings will resume with Community Based Organizations and Industry Sector businesses. These will offer representatives from the Partner Agencies opportunities for on-going support toward meeting the regional consortium objectives.

13. How will you determine approval of a distribution schedule pursuant to Section 84913? *

Consortium members will share their respective detailed budget plans as well as an outline of general activities and expenses. Members will verify that actual expenses adhere to the section 84913 requirements. This information will be housed and archived in NOVA.

14. Has the consortium A) designated a member to serve as the fund administrator to receive and distribute funds from the program or B) chosen to have a funds flow directly to the member districts based upon the approved distribution schedule? *

B) chosen to have funds flow directly to the member districts based upon the approved distribution schedule

15. How will members join, leave, or be dismissed from the consortium? *

Members of the regional consortium will join, leave, or be dismissed based on the procedures and criteria set forth in the consortium charter, which aligns with AB104 legislative directive. Decisions will be addressed in consortium business meetings and opportunities for public input will be solicited. Membership issues will require a vote by officially designated members. Decision will be final per the consortium charter stipulations and AB104.

16. What is the consortium's defined "excessive" member carryover percentage threshold? *

Our consortium has determined that agency excessive carryover percentage is equal to 20%.

17. Please explain how the consortium will monitor and administer carryover funds. What is the consortium's technical assistance and reasonable intervention process? What additional bylaws do you have that govern carryover? *

We follow State/CAEP guidelines on carryover funds. Expenses are reviewed and certified in NOVA on a quarterly basis. Carryover funds are reviewed and agreed upon in our August Leadership Board meeting. Our consortium will analyze agency excessive carryover percentages in the August 2024 meeting when agencies give their annual budget reports. At that time, technical assistance & a reasonable intervention process will be determined.

18. How does your consortium define member effectiveness? *

We follow State/CAEP guidelines on member effectiveness.

19. What bylaws does your consortium have addressing member effectiveness? *

Director monitors member effectiveness and brings any concerns back to the Leadership Board.

20. Does the consortium have a formal document detailing its work beyond the questionnaire? *

Yes

20.1 (Yes) Use the space below to provide a link to the formal document. *
