*No LaunchBoard data.

Please explain any Hours of Instruction entered for Program Areas with no Launchboard data available, i.e., why there are enrollments. *

The VWDB enrolls students served by GlendaleLEARNs partners that provide services in the seven program areas of CAEP. This includes co-enrollments with WIOA I which provides supportive services, job placement assistance, paid internships and externships, on-the-job training, workforce reentry and follow up services. While the students enrolled by partners may include instruction, the hours of instruction cannot be reported in Topspiro for these programs.
