20 San Diego East Region Adult Education

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 20 San Diego East Region Adult Education

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: This allocation schedule is based on continuing the current [FY 18/19] consortium-level work. The schedule was agreed upon by the consortium members through a formal consortium vote and is in accordance with the Consortium Plan. Major projects include the development of additional IET classes; further alignment of ASE classes with English and math classes and CTE classes with Career Education at both colleges; introduction of two student success support modules (digital literacy; work readiness) at Grossmont Adult Education; full implementation of a retention and success platform; introduction of additional peer mentors; a deeper review of existing assessment tools; and the integration of videos and personalized support into high-touch on-boarding. Per agreement, the Foundation of GCCCD (fiscal agent) will hold \$ 623,151 for program growth (COLA allocations 18/19 and 19/20) for the judicious realization and implementation of the identified special projects (construction and implementation of a student success center; tailored job development in partnership with the East County Chamber of Commerce; program expansion at MEUSD).

Changes: Based on a survey assessing the needs of the three tribal communities within MEUSD s boundaries and per discussion and agreement among consortium members, East Region Adult Education will allocate the additional amount of \$ 50,000 toward design and implementation of a HSD/HSE class and a CTE class leading to certification.
