Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 20 San Diego East Region Adult Education

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: This allocation schedule is based on the goals, activities, and key indicators as identified in the consortium's Comprehensive Regional Three-Year Plan, the continuing successful development of innovative student support services, and emerging needs within CAEP program areas. The consortium has reviewed the proper mix of investments and aligned spending for fiscal year 2022-23. The schedule was agreed upon by the consortium through a formal consortium vote. Major projects include a systematic review of member-specific curriculum and course outlines, the implementation of a second applied technology program for the Mtn. Empire region; the implementation of a universal onboarding process at GAE, the further consolidation of classes offered into six paths and aligned wrap-around support and transition services; the continuation and refinement of a system of professional learning, which will include the further implementation evaluation and assessment tools. The consortium agreed to continue the existing investment strategy for the 2022-23 fiscal year.
