

CAEP Allocation Amendment: 2020-21 Produced: May 24, 2021, 11:59 PM UTC Susan Clipperton

## 23 Kern Adult Education Consortium

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 23 Kern Adult Education Consortium

**Funding Channel:** Direct Funded

**Justification:** Not Complete

**Narrative:** The Kern Adult Education Consortium continues to work on our CAEP 3-year plan in order to grow and serve the students in our entire region. With the addition of Inyo County Office of Education last year, Kern Union High and Kern Community College District had offered \$25,000 each from their annual budgets to start programs in that area of the Eastern Sierras that was not being served in Adult Education. Inyo COE is looking to continue to grow and provide services to the members of that region with support from Cerro Coso Community College and the KCCD District Office. This year KCCD District Office will provide Inyo COE with a one time amount of \$150,000 for the 2020/2021 year in order to increase services in order for Inyo COE and the Consortium to look at other ongoing funding options for them to continue growing in the future. All members in the consortium continue to look at areas of growth through the use of data reporting at our monthly meetings. With the onset of COVID-19, the KCCD District Office will continue to provide support to all members in the consortium in order to provide support to our adult students with any new changes in how our courses are delivered (chrome book lending, MIFI lending, WIFI support, books, distance learning software, etc.) For this year, the Kern Adult Education Consortium agreed to allocate the COLA amount based on total unduplicated students served in TOPS Pro. We are looking at ways to improve our data reporting in TOPS as well as in MIS.

**Changes:** No Changes
