## 23 Kern Adult Education Consortium

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 23 Kern Adult Education Consortium

**Funding Channel:** Direct Funded

**Narrative:** The Kern Adult Education Consortium continues to work on our CAEP 3-year plan in order to grow and serve the students in our entire region. Inyo COE is looking to continue to grow and provide services to the members of that region with support from Cerro Coso Community College and the KCCD District Office. There have been several members in our region partnering for co-locations, and Inyo COE and Cerro Coso Community College have started that process in the Bishop, CA community. Porterville College and Porterville Adult School have agreed upon an ESL alignment of curriculum and have been partnering more and more this past year. Bakersfield Adult and Bakersfield College continue to build on their strong relationship to provide the best programs and pathways for adult education students. Cerro Coso and all of the Eastern Sierras have continued to develop their partnerships to best serve the rural communities of that region. The KCCD District Office was fortunately able to step in and provide much needed support to the entire consortium during the pandemic by providing support to our adult students with the changes in how our courses were delivered (chrome book lending, WIFI support, books, distance learning software, etc.) All members in the consortium continue to look at areas of growth through the use of data reporting at our monthly meetings. For this year, the Kern Adult Education Consortium agreed to allocate the COLA amount based on the % of total allocation of members. We are continuing to focus on data to drive decisions and to improve our programs to our adult education communities.

**Changes:** KCCD District Office offered \$100,000 of its ongoing funding to Inyo COE and Cerro Coso Community College offered \$50,000 of its ongoing funding to Inyo County Office of Education. This is to provide Inyo COE with funding to continue to run their programs at the co-location on the Main Street in Bishop, CA.
