Career Tech classes started late in August, only a month and a half salaries. Careers- Construction Trades- wood supply order not made until October, so it is not reflected in these expenditures.

Summary of Activities:

Diploma Gold- 20 students enrolled, 5 at the Rancheria. An adjustment to the required credits was made from 200 to 180, students are excited about the change. We have added a new Career Skills class which included interviewing and transitions into the work world. New curriculum. Computers- 10 students enrolled for Microsoft Office Certification, keyboard, and other office skills. 3 students have succeeded in getting a job and several more have gained confidence in current job. One now has interest in a IT career. Construction/Welding- 10 students enrolled in each, some taking both. Safety training and planning of projects is complete. Projects include sheds, planters, kitchen cabinet, hospital break room items, and projects for Lassen Land and Trails. All students have gained knowledge on assembly and finishing of woodwork and honed skills with various equipment. Instructors will be attending training on new equipment like the plasma cutter and pipe bender.

Summary of Activities:

Q3 highlights - Diploma Gold had 3 students complete all requirements for graduation. Each created a resume and cover letter and participate in a mock interview. They were given a flash drive with documents to update as they apply for employment /job advancement. With the stay at home order the Diploma Gold staff is working hard to continue to provide an education. We are providing laptops and will be purchasing myfi for students that need Internet. The instructor has trained in Microsoft Teams to provide student access to the instructor. Even though the regular graduation will not happen we are hoping to have some type of celebration when the order is lifted. CTE WoodShop/Construction: 11 enrolled, 7 active each week prior to COVID-19 closure. Projects include home improvement, kitchen table and island, coffee tables, window frames. Items for business, a new shed, shoe cubby box for yoga studio, farrier box. CTE Computer/Office: is continuing classes remotely.

Summary of Activities:

QUARTER 4 ACTIVITIES: COVID-19 changed the traditional way LUHSD approached Adult Ed, many activities still took place. Diploma Gold continued classes through virtual/distance learning. Hot Spots were purchased for students needing connections to the internet, laptops/tablets were checked out to those needing devices. Graduation was held virtually for those students earning their diplomas. CTE Business/Computer classes were also delivered virtually/distance learning. CTE Wood/Construction and Welding could not be held on campus or virtually, though teachers were available through email or phone to assist students who were able to work on projects from home.

Summary of Activities:

In the first quarter we advertised for and started 2 courses. The Para Educator/Instructional Aid course was completed and our Photography Course continued on into the 2nd quarter . Minimal supplies were required for these courses. Technology upgrades were completed in our computer lab (20 new computers) and the photography lab (8 new computers). There was a small cost overrun due to the selection of a newer model CPU . These upgrades will allow us to accept more students into these very popular courses.
