## 27 Los Angeles Regional Adult Education Consortium

### Fiscal Declaration - Consortium Approved

**Consortium Name:** 27 Los Angeles Regional Adult Education Consortium

**Funding Channel:** Direct Funded

**Narrative:** Funds allocated to all member districts will be used to carry-out the priorities set forth in the Los Angeles Regional Adult Education Consortium (LARAEC) CAEP 3-year plan and as updated and indicated through the Yearly Plan. Additionally, a stronger emphasis is made to enhance the delivery of instruction via Distance Learning and online tools. The majority of the total budget will be spent on instructional and non-instructional salaries and benefits to support the programs and services provided to adult education students and the remaining balance will be used for supplies, equipment, contracts, and other operating expenses, capital outlay, and indirect cost necessary to support the adult education programs and services, including supportive services, offered at each member district as outlined in the Consortium's plan.

**Changes:** In response to the two recommendations (31 and 32) for LARAEC, listed in the State Auditor's Report of Montebello Unified School District, dated November of 2017, LARAEC developed a student formula based on the number of students at each district. The formula uses FY 2018-2019 student counts to derive and/or right-size the funding to be allocated to each member-district. The funding formula was approved by the LARAEC Board on January 17, 2020 and was to be implemented effective on July 1, 2021 for Fiscal Year 2022 and through the end of the 3-year planning cycle (June 30, 2022). Both, LACCD and the LARAEC Office funding amounts come off the top from the Consortium's allocation and the remainder is distributed to the four USD districts based on the formula (The LARAEC Office funding allocation is aggregated to LAUSD's allocation, current fiscal agent for the LARAEC Office). The amounts reflected below are the resulting allocation after the formula was applied.
