These goals are: 1. Identify, develop and expand offerings of non-credit MC curriculum in the priority pathways, 2. Improve enrollment in existing programs based on community needs data, 3. Create and implement strategies that improve the sustainability of our health care programs (MPA), 4. Improve the ease with which our students connect to outside support agency services, 5. Finish the pathway maps in the priority areas, 6. Continue to collect, analyze and improve the accuracy of our student data, and 7. Improve student retention rates from enrollment to completion of personal education goals.
