31 Gateway Adult Education Network

Fiscal Declaration - Consortium Approved

Consortium Name: 31 Gateway Adult Education Network

Funding Channel: Fiscal Agent

Fiscal Agent: Merced CCD

Narrative: Upon receipt of the State's funds, the Fiscal Agent will provide an upfront allocation of 1/12th every month to each member based on that member's allocation and compliance with the GAEN bylaws. As a Consortium, we have opted to operate on an upfront disbursement of 1/12th of each member's award, which will pay each month upon receipt of funds from the State. Each member will submit a monthly invoice requesting 1/12th of their funds. The benefits include a more streamlined process, one member having the Consortium information for reporting purposes versus various members having fragmented pieces, and the fiscal agent's ability to turn around time in payment quickly. The Fiscal Agent requests quarterly Financial Status Reports (FSRs) from its members. The FSRs are reviewed for completeness of appropriate support documentation, and the reported expenditures are verified against the approved member's budgets. The members complete a Budget Modification Request Form that is then routed for approval at the GAEN Board Meeting. The Fiscal Agent receives all approved Budget Modification Request Forms and updates members' budgets as applicable. Each Consortium Member provides expenditure reports by object code to the fiscal agent, validated and combined for the Consortia to be reported to the State. Consensus and approval for the programs to be served in our Consortium were agreed upon at April 25, 2022, GAEN Board Meeting. All members' work plans include details about the populations to be served, and the work plans were approved at such a meeting. As a Consortium, we serve within all seven categories based on the region's needs. The Fiscal Agent agrees to charge no more than 5% of the AB104 funds allocated to the Consortium for administrative responsibilities.
