### 32 Coastal North County Adult Education Consortium

CONSORTIUM APPROVED

2025-26

## Fiscal Declaration - Consortium Approved

**Consortium Name:** 32 Coastal North County Adult Education Consortium

**Funding Channel:** Fiscal Agent

**Fiscal Agent:** MiraCosta CCD

**Narrative:** The CNCAEC Board approved the CFAD for the 2025-2026 fiscal year. The MiraCosta College District (MCCD) continues to serve as the fiscal agent for the consortium. This decision is based on MCCD’s role in providing all adult education within the consortium’s region. The Board agreed to allocate all funds for the 2025-26 period to MCCD. These funds are managed by the Executive Director of Noncredit & Adult Education Programs and the Dean of Community Learning Center, Continuing and Community Education. MCCD’s fiscal services department plays a crucial role as the consortium’s fiscal agent. They assist in administering the entire funding process. The California Adult Education Program (CAEP) is assigned distinct fund accounting numbers. These numbers facilitate payments from the California Community College Chancellor’s Office (CCCCO) and track activity expenditures within MCCD’s fiscal system. The Director of Noncredit & Adult Education Programs and the Dean of Community Learning Center, Continuing and Community Education work closely with MCCD’s fiscal services personnel.

### Member Allocation Certification

✓ I certify that this CFAD is true and accurate. Our consortium certifies that the allocations listed correctly represent all funded members and their respective amounts.

## Carryover Threshold

Input a percentage of carryover that your consortium agrees will be considered an excessive amount.

Should a member, or members, exceed this carryover percentage upon certification of their Q4 report, they will be flagged as non-compliant with the carryover legislation (EC 84914). One year of non-compliance does not carry a penalty. However,

should the same member, or members, have two consecutive years of non-compliance the consortium may agree, by majority vote, to reallocate an amount that does not exceed the carryover to other members.

A consortium does have the ability to opt-out. To do so, simply toggle the carryover threshold button to the off position.

**9. How will proposed decisions be considered in open, properly noticed public meetings of the consortium at which members of the public may comment? \***

Article 6, Section 1 of the CNCAEC ByLaws pertains to public meetings. The board convenes during these meetings at a specified time and location. These meetings aim to discuss, deliberate, and take action on any matter within the consortium's jurisdiction. All board meetings comply with the publicly noticed meeting requirements established by the Ed Code Section 84905 and the Brown Act Section 54953. All votes, except those cast during permissible closed sessions, are made public. In addition, any actions taken and the votes or abstentions of each board member present are reported in public meetings as outlined in the Brown Act Section 54953(2). All pertinent information, including meeting location, room number, address, and time, is readily accessible to the public. An agenda packet and any relevant documents are posted on the website for public review at least 72 hours prior to the scheduled meeting. Members of the public are encouraged to provide feedback on agenda items, and their input is taken into consideration before discussions and voting take place.

Each person is allotted three(3) minutes to speak, and a maximum of thirty (30) minutes is set aside for public comments. The feedback received from the public will be discussed in subsequent meetings and documented in the minutes, which will be made available on the Cwebpage. [https://www.miracosta.edu/academics/continuing-education/cncaec/\\_docs/BYLAWS\\_CNCAEC.pdf](https://www.miracosta.edu/academics/continuing-education/cncaec/_docs/BYLAWS_CNCAEC.pdf)

**12. Describe the process by which the consortium will solicit and consider comments and input regarding a proposed decision from other entities located in the adult education region that provide education and workforce services for adults. \***

The consortium has a process in place to gather and consider input from other entities located within the adult education region that provide education and workforce services for adults. These entities include local public agencies, departments, and

offices responsible for local public safety and social services, workforce investment boards, libraries, and community-based organizations. The consortium may solicit comments and input through various methods, such as public meetings, written communications, or surveys. CNCAEC is committed to collaborating and partnering with the entities that provide education and workforce services for adults within the region. It ensures that the consortium's decisions are informed by the needs and perspectives of these entities and that the consortium is working in alignment with the broader goals and objectives of the region's adult education system. **13. How will you determine approval of a distribution schedule pursuant to Section 84913? \***

To evaluate and approve the distribution of funds, the CNCAEC Board follows a process that adheres to CNCAEC ByLaws and emphasizes partnership and teamwork with the consortium's stakeholders. The board approves a CFAD during a public open meeting where public input is encouraged. This CFAD designates MCCD as the fiscal agent responsible for acquiring and allocating the funds to achieve the objectives outlined in the Three-Year Plan, aimed at enhancing adult education and pathways for adult populations served within the consortium's service area.

**14. Has the consortium A) designated a member to serve as the fund administrator to receive and distribute funds from the program or B) chosen to have a funds flow directly to the member districts based upon the approved distribution schedule? \***

A) designated a member to serve as the fund administrator to receive and distribute funds from the program

**15. How will members join, leave, or be dismissed from the consortium? \***

Article 5, Section 5 of the CNCAEC ByLaws outlines the procedure for removing a consortium member. A member may choose to leave the consortium voluntarily, but they must give written notice at least thirty (30) days before vacating their membership. If a member chooses to leave voluntarily, they must return any allocation they received for that year to the fiscal agent within 15 days of leaving. The remaining consortium members will decide how to allocate any returned funds.

**16. What is the consortium's defined "excessive" member carryover percentage threshold? \***

AB 1491 authorizes a consortium to reduce a member's allocation by no more than the amount of the member's carryover if the member has excessive carryover for at least two consecutive fiscal years beginning with the 2023–24 fiscal year. Please note there is no percentage threshold mandated in AB1491 that is specific to member carryover. As a result, individual consortia are able to define "excessive" as a specific percentage of any unspent funds from the prior fiscal year.

**17. Please explain how the consortium will monitor and administer carryover funds. What is the consortium's technical assistance and reasonable intervention process? What additional bylaws do you have that govern carryover? \***

If one year of carryover is determined, the consortium must offer members technical assistance to help prevent them from having two consecutive fiscal years of carryover funds. [https://www.miracosta.edu/academics/continuing-education/cncaec/\\_docs/BYLAWS\\_CNCAEC.pdf](https://www.miracosta.edu/academics/continuing-education/cncaec/_docs/BYLAWS_CNCAEC.pdf)

**19. What bylaws does your consortium have addressing member effectiveness? \***

To evaluate the effectiveness of a member, various metrics are taken into consideration, including Data Integrity Reports, Management Information System (MIS) data, and fiscal expenditures. Additionally, open discussions are held to assess student

and program achievements

**20. Does the consortium have a formal document detailing its work beyond the questionnaire? \***
