Please explain any Hours of Instruction entered for Program Areas with no Launchboard data available, i.e., why there are enrollments. *

Charter Oak Adult Education ran a parent academy program for two hours a week twice a month for our K12 families from September 2022 through December 2022. While many parents initially participated at all of our elementary sites, attendance became very inconsistent as we drew closer to December. Due to this, none of the participants met the 12 hour criteria. It was decided to discontinue the program at the start of the new year.
