35 Southwest Riverside County Adult Education Regional Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 35 Southwest Riverside County Adult Education Regional Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: Our planned allocations are aligned with our three year consortium plan. Funding amounts are allocated based on our collective plan and the individual commitments we have made to support our goals as a consortium. We have made progress over this past year in implementing some of our key focus areas such as high school diploma completions, data collection, and student services, but COVID continues to impact most of our members drastically. Our goal of having each member offer a career training class was the most impacted over the last year. With online learning as our main method of instruction, it made it impossible to offer many of our career training classes. The consortium will continue to invest in technological devices to support student access and equity across the region. It is our plan to continue funding counseling supports throughout the consortium that can facilitate transitions of students to post-secondary and workforce opportunities. Strengthening our CTE programs across the region continues to be a primary funding focus our consortium. We will continue supporting building capacity of all program staff through professional development opportunities.
