Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 35 Southwest Riverside Adult Education

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: Our planned allocations are aligned with our three year consortium plan. Funding amounts are allocated based on our collective plan and the individual commitments we have made to support our goals as a consortium. We have made progress over this past year in implementing some of our key focus areas but COVID has impacted some of our members drastically. Our goal of having each member offer a career training class was the most impacted over the last year. With online learning as our main method of instruction, it made it impossible to offer many of our career training classes. As a consortium we continue to emphasize the collection of data and the increase in strong data to show the progress we are making even with COVID. We have put an emphasis on our HSE students completing to offset our low level ESL drops in enrollment. ESL students, especially beginning ESL students are being impacted for the time being as we are faced with offering only online learning. This has had some short term impact on spending out funds, but we are all committed to continuing services for now and an effort to get back to normal in the fall 2021 term. We also are looking at creative ways to offer summer sessions.
