Consortium Name: 36 Napa Valley Adult Education Consortium

Funding Channel: Direct Funded

Narrative: There are five funded members in the Napa Valley Adult Education Consortium (NVAEC) - Napa Valley Adult Education (NVAE), Napa Valley College (NVC), Napa County Office of Education (NCOE), Calistoga Joint Union School District (CJUSD), and St. Helena Unified School District (SHUSD). As in the past, the majority of funding will continue to go to NVAE, the largest provider of AEP-funded adult education services in the region for Maintenance of Effort (MOE). NVC will continue to receive the next largest amount, followed by NCOE, CJUSD and SHUSD respectively. The COLA will be shared among all partners proportionate to the percentage of funds currently allocated. NVAE provides educational programs to adult learners "upvalley" in SHUSD and CJUSD. Planned allocations are consistent and aligned with the goals identified in NVAEC's 2022-25 Three-Year Plan, which, in turn, directs specific actions in the annual plans. The focus areas of AEP funds specified in current legislation are directly connected to the three objectives in the 2022-25 NVAEC Three-Year Plan: Address Educational Needs Increase enrollment and completion in ESL, HSD/HSE, ABE, citizenship, Career Technical Education/pathway programs, and non-credit college programs to improve educational and career objectives throughout Napa County by: 1. developing and marketing outreach/enrollment efforts 2. providing flexible scheduling (including location and online options) and childcare 3. including "soft skills" instruction in ESL, CTE, and pathway classes/programs with potential certification through NVC non-credit classes 4. developing additional pathways to address gaps a. evaluating CTE programs and pathways to compare with new industries expected to move into Napa County b. aligning pathways at NVAE to pathways at NVC Improve Integration of Services & Transitions Increase awareness of educational training and pathways to improve integration of services and transitions into postsecondary education and the workforce by: 1. recruiting and enrolling individuals into adult ed programs 2. co-locating/bridging programs between NVAE and NVC 3. providing transition specialists support and activities 4. improving connections and contacts between service providers & organizations through use of Pairin/MyPro a. providing a full range of student services to complete programs - financial assistance, housing, access to food/nutrition, childcare, books & materials, physical and mental health services, etc. (addresses a gap identified in ENTRY: Self-Assessment Tool) Improve Effectiveness of Services Improve the effectiveness of the Napa Valley Adult Education Consortium and its services by: 1. improving data collection practices and using it to inform consortium progress and change 2. providing, accessing, and participating in targeted professional development aligned with objectives and goals 3. revising bylaws as needed to maintain effectiveness 4. addressing gaps identified in Self-Assessment tool a. PROGRESS: sharing tools and procedures for collecting counseling, transition, and support services data and provide coordinated referrals to members/partners (MyPro) b. TRANSITION: maintaining bridge classes at NVAE to introduce students to NVC classes; working with students to support enrollment at NVC

Changes: For FY 2024-25, Napa Valley College has agreed to transfer \$10,000 of its funds to Napa County Office of Education to support transition activities overseen by the Consortium's Transition Specialists. This is a one-year agreement to be revisited and evaluated in Spring 2025 for the subsequent year. All partners agree to transfer a portion of respective budgets to NVUSD to cover the annual renewal of Pairin/MyPro for efficiency in processing payment.
