Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 38 Southern Alameda County Consortium (Ohlone CCD)

Funding Channel: Direct Funded

Narrative: The SACC has fully implemented the current annual plan and has ensured that all allocations are aligned to it. This year, SACC focused on four goals outlined in the Three-year Plan. These included the continued implementation of new courses to support local employer needs and the educational needs of recent refugees and immigrants. The Paraprofessional Training course was implemented successfully last year, and SACC continued to promote and improve the course. Four cohorts of the course will have been completed by June 2024. Over 20 students have begun working as paraeducators in local school districts after successful completion of the course. SACC also developed FACE/MVROP's welding program that is a part of Ohlone College's Smart Manufacturing Program. Two cohorts of the welding program were completed this year. SACC hosted two Job and Resources Fairs to address the need for targeted recruitment and outreach strategies. Finally, SACC implemented the ELL Healthcare pathways bridge and simultaneous support courses to ensure that students were able to successfully complete MVROP's Pharmacy Technician training and CalRegional's Clinical Medical Assisting and Phlebotomy courses. These goals were directly taken from the SACC Three-year Plan, as well as the new ELL Healthcare Pathways Initiative and CAEP funding was utilized to ensure that the goals were met.
