40 Education to Career Network of North San Diego County (Palomar/Vista)

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 40 Education to Career Network of North San Diego County (Palomar/Vista)

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: Each year, our member district representatives determine the goals and objectives of our annual and/or three-year plans. When determining member district allocations for the CFAD, we also prepare a line item budget that aligns to consortium goals and calls out specific elements identified in our plan. For example, several of our member districts employ staff members who support the entire consortium. (Escondido UHSD employs our data coordinator, Vista USD employs our Support Counselor for Students with Disabilities, and Poway USD employs both our Technology Integration Specialist and our Partnerships Coordinator.) As our fiscal agent, Vista USD employs an Accountant who supports the consortium on a part-time basis and contracts with two entities to provide support to the consortium overall - one a Public Relations/Marketing firm, and the other a consultant for Curriculum and Planning. Also denoted in the line item budget are specific priorities developed for the consortium. These include, but are not limited to, four of our six member districts each hiring both a Transition Specialist and a Career Advisor, accommodations to students with disabilities, tutoring, hosting special events (career fairs, community forum, and college information night), professional development, and outreach and marketing.
