Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 40 Education to Career Network of North San Diego County (Palomar/Vista)

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: Funds are allocated and spent according to our goals for FY 2020 - 2021. These included increased emphasis on stakeholder/partner engagement to support student education and career success; implementation of common student data tools to gather, measure, and analyze student and/or program successes and outcomes and share best practices; platforms to assist students with work-readiness, career exploration, and job search; and continued alignment and integration of curriculum to accelerate student learning and meet regional needs. To accomplish the goals above, members interacted on a more frequent basis, with shared positions spending time addressing the needs of each individual member district. CASAS pre/post-testing was used at all member districts as a common student data tool. In addition, the ETCN applied for federal WIOA grant funding as a consortium. This has created additional opportunities for us to leverage resources and align services and data collection across all of our member districts. We have jointly utilized 231/243 funding to benefit ETCN students and our ESL/IELCE programs. The distribution schedule follows this plan with only minor updates based on real costs and expenditures. ETCN will continue to work according to our plan with the same allocation amount for each agency plus the COLA adjustment of 1.5%. All members reached consensus for funding the distribution schedule. Please note that the allocation for Vista Adult School (\$3,126,551) represents both the allocation to Vista Adult School (\$2,732,805) and to Vista USD as our fiscal agent (\$393,746). In order to avoid confusion, the ETCN Leadership Council elected to distribute the fiscal agent portion of the COLA across each member district. Our members are committed to continued progress towards the realization of the vision and goals of the ETCN Three-Year Plan and will continue to implement identified strategies that fill the regional gaps in service, support the seamless transition of students, increasing professional development opportunities for staff, better leverage resources, and to accelerate transitions for learners across the consortium.
