41 Pasadena Area Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 41 Pasadena Area Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: The members of the Pasadena Consortium maintain a constant, on-going dialog to discuss the workforce needs of the service area to best ensure activities under CAEP are aligned. This has entailed adjustments of program objectives and reconfiguration of program advisory committees and networks. The consortium members further work together to identify any potential areas of overlap in programmatic activities to avoid duplication and/or perceived competition in activities and outcome objectives of the individual members and the consortium, as a whole. The consortium members feel strongly this is a necessary engagement to maximize the consortium's plans for advancing learning and employment opportunities for adults in the service area and to keep members of the public informed of the progress towards program goals and outcomes. Consortium members agree to consider the possible appointment of a Project Director to provide assistance
