41 Pasadena Area Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 41 Pasadena Area Consortium

Funding Channel: Direct Funded

Justification: Pasadena Area Consortium member Representatives discussed this action at multiple Board meetings and determined to change the disbursement method primarily for the sake of efficiency. The CCD has served as the fiscal agent and the process to distribute funds to members was onerous and inefficient. The non-CCD members still have not received any CAEP funds for the 2021-22 Program Year. Member Representatives are confident direct funding will improve efficiency of CAEP fund distribution.

Narrative: The Pasadena Area Consortium (PAC) has selected numerous Metrics in Three Year Plan and funding allocation is consistent with member efforts to improve on them. Metrics include: increased total Participation for English Learners, increased number of diplomas / equivalencies achieved, increased Gains in Educational Functioning Levels (EFL), and increased transition to postsecondary institutions. PAC member Reps engaged in transparent, public discussions about how funding allocations will be best used to achieve these Metric increases. Funding is consistent with the Annual Plan and the Three Year Plan. If allocation amounts need to change, PAC member Reps are comfortable utilizing the amendment process in a transparent and public manner.

Changes: PAC members changed Consortium's disbursement method from Fiscal Agent to Direct funded. Allocation amounts were changed in a transparent and public manner to account for the COLA in funds.
