## Carryover Threshold

Input a percentage of carryover that your consortium agrees will be considered an excessive amount.

Should a member, or members, exceed this carryover percentage upon certification of their Q4 report, they will be flagged as non-compliant with the AB 1491 legislation. One year of non-compliance does not carry a penalty. However, should the same member, or members, have two consecutive years of non-compliance the consortium may agree, by majority vote, to reallocate an amount that does not exceed the carryover to other members.

A consortium does have the ability to opt-out. To do so, simply toggle the carryover threshold button to the off position.

Carryover Threshold  Off

## Consortia Report on Governance Compliance of Rules and Procedures v.2

**1. Have all community college districts, school districts, county offices of education, or any joint powers authority, located within the boundaries of the adult education region been allowed to join the consortium as a member? \***

Yes

**2. Have all members committed to reporting any funds available to that member for the purposes of education and workforce services for adults and the uses of those funds? \***

Yes

**3. How will the available funds be reported and evaluated? \***

On a quarterly basis each member reports out expenditures. Monthly meetings are held with the fiscal agency representative to review expenditures to ensure accuracy of reporting. Operating committee (Working Group) reviews carry-over to determine reallocation by member if necessary.

**4. How will you assure that each member of the consortium is represented only by an official designated by the governing board of the member? \***

Our governing structure and bylaws indicate each member is allotted one voting member per.

**5. How will you assure that each member of the consortium participates in any decision made by the consortium? \***

At both the Working Group and Executive Cabinet each member has a representative at the table to discuss consortium business and vote on decisions collectively.

**6. What will be the relative voting power of each member? \***

1 institution = 1 vote (thus giving districts with multiple institutions multiple votes)

**7. How will decisions be approved? \***

by majority vote of 51%

**8. How did you arrive at that decision-making model? \***

Board Policy 1.020 states: It shall be the policy of the Executive Cabinet that a majority members constituting the Executive Cabinet at any legal meeting will validate any action proposed except where otherwise required by law. If a member abstains from voting, the effect of the abstention of the same as if he/she voted on the prevailing side. In the event the vote on an issue results in a tie and one or more members present withhold their vote, then it becomes policy of this Executive Cabinet to rule that said abstention or abstentions will be ruled as affirmative. In such cases, however, it is recommended that the issue be tabled until a majority vote can be obtained on either an affirmative or negative basis.

**9. How will proposed decisions be considered in open, properly noticed public meetings of the consortium at which members of the public may comment? \***

According to BP 1.002: It shall be the policy of the Executive Cabinet that the Executive Director shall prepare an agenda, with the advice of the President, for each regular meeting of the Executive Cabinet, and shall send each member a copy at least 72 hours prior to the meeting. Copies shall be posted at various locations for viewing by the public and JPA employees at least 72 hours prior to a regular meeting and 24 hours prior to a special meeting. All items appearing on the agenda shall be numbered and organized in standard form. Supporting documents and information material shall be prepared and included with the agenda when this will clarify items on the agenda and expedite the progress of the meeting. The previously prepared and distributed agenda shall be adopted by regular vote and control the order of business of the meeting. New business introduced from the floor by Executive Cabinet members or the public shall not be acted upon by the Executive Cabinet at that meeting unless unusual circumstances make immediate action imperative and it is ordered by unanimous Executive Cabinet action. Any new or revised policy which may be considered controversial or of extreme interest to a large segment of the public shall not be acted upon at the meeting at which it is introduced. A short intermission may be called by the President of the Executive Cabinet at any point on the agenda.

**10. Describe how will you provide the public with adequate notice of a proposed decision and consider any comments submitted by members of the public. \***

According to BP 1.015: It shall be the policy of the Executive Cabinet that all citizens including NAAEC employees and pupils are invited to attend meetings of the Executive Cabinet at all. In order to preserve the democratic process through orderly discussion, the following procedures shall be followed by the Executive Cabinet: 1. After the meeting has been officially opened the President of the Executive Cabinet or the presiding officer shall briefly state the position of the Executive Cabinet. If official action on the issue has not yet been taken the President may so state and may summarize briefly the arguments for and against the issue to be decided. 2. The Secretary of the Executive Cabinet shall secure the names of all those persons wishing to be heard before the Executive Cabinet on the form provided for that purpose prior to the time the agenda item is presented by the President of the Executive Cabinet for consideration. The President of the Executive Cabinet shall exercise his/ her sole discretion in recognizing persons rising to be heard without prior written notice unless otherwise directed by a majority vote of the Executive Cabinet. 3. After the speakers for and against the issue have been heard, the President shall indicate that questions pertaining directly to the issue involved will be answered by the Executive Cabinet. Anyone speaking to the Executive Cabinet may not speak for more than five (5) minutes unless that time limit is waived by the Executive Cabinet President or a majority of the Executive Cabinet. No speaker may transfer his/her five (5) minute speaking time to another speaker. 4. All petitions to the Executive Cabinet shall be considered only if presented to the Secretary in writing in time to be placed on the agenda. Petitions not presented in time shall be considered at the next regular meeting called for consideration of the request. 5. Undue interruption or other interference with the orderly conduct of Executive Cabinet business cannot be allowed. Defamatory or abusive remarks are always out of order. The Chair may terminate the speaker's privilege of address if, after being called to order, he/she persists in improper conduct or remarks.

**11. Describe how comments submitted by members of the public will be distributed publicly. \***

The funds are distributed equally each quarter based on the approved CFAD allocation for the year

**14. Has the consortium A) designated a member to serve as the fund administrator to receive and distribute funds from the program or B) chosen to have a funds flow directly to the member districts based upon the approved distribution schedule? \***

A) designated a member to serve as the fund administrator to receive and distribute funds from the program

**15. How will members join, leave, or be dismissed from the consortium? \***

BOARD POLICY NO. 1.011 states: Any community college district, school district, or county office of education or joint powers authority consisting of community college districts, school districts or county offices of education located within the boundaries of Northern Alameda Adult Education Collective's adult education region shall be permitted to join the JPA as a member. • All applications for membership in the JPA must be approved by the Executive Cabinet and must be submitted and approved by the Executive cabinet no later than at the October Executive Board meeting in order to be considered for an

apportionment of block grant funds for the next fiscal year. • As a condition of joining the JPA, a new member shall commit to reporting any funds available to that member for the purposes of education and workforce services for adults and the use of those funds.

**16. What is the consortium's defined "excessive" member carryover percentage threshold? \***

CARRYOVER OF FUNDS BOARD POLICY NO. 2.002 states: Those JPA members which do not fully utilize all block grant and maintenance of education funding previously allocated, where the deadline to utilize those funds will expire during the coming fiscal year may request at the August Executive Cabinet meeting that the Executive Cabinet permit them to carry over unutilized funding to the following fiscal year. The maximum amount of funds which will be permitted to be carried over into a fiscal year is twenty percent of the subject funding allocation. A statement explaining and justifying the need to carry over funds must be submitted to the Executive Cabinet no later than one week prior to the date of the August Executive Cabinet meeting.

**17. Please explain how the consortium will monitor and administer carryover funds. What is the consortium’s technical assistance and reasonable intervention process? What additional bylaws do you have that govern carryover? \***

Semi-annually all members and the consortium will submit completed workplans: Q1 and Q2 due January 31st and Q3 and Q4 due August 15th. Annually all members and the consortium will complete the “Member Effectiveness” Tool by October 15th for the prior academic year. The working group will review all member submissions with the work plan and back-up data reports by the third week of November to identify members that need an effectiveness improvement intervention plan. An Effectiveness Improvement Intervention Committee will review the assessments by mid-January. Participating team (to include WG rep, Transition Liaison, faculty, etc.) for member institution will meet with the committee to develop an “intervention/efficiency plan” for necessary area(s) of improvement by April 1st. Members will have February through June for planning and the following academic year for implementation. When agreed upon progress is made, no further action is taken. If agreed upon progress is not made within the established timeline, next steps are for the Working Group to review areas of growth to determine the improvement plan extension or next steps. This will determine if there is a change to the member annual allocation. Additionally, review of the funds associated with areas of growth (from NOVA program area hours & expenses report) will occur to determine the amount available IF FUNDS will be reallocated.

**18. How does your consortium define member effectiveness? \***

Still in progress. Reviewing member effectiveness tool and a member's self assessment and data will provide a gauge of how members are meeting outcomes and the needs of our communities. Ideally a numbering system from our ME process will be determined to establish our baseline.

**19. What bylaws does your consortium have addressing member effectiveness? \***

In progress.

**20. Does the consortium have a formal document detailing its work beyond the questionnaire? \***

Yes

**20.1 (Yes) Use the space below to provide a link to the formal document. \***
