**Funding Channel:** Direct Funded

**Justification:** Not Complete

**Narrative:** The Rancho Santiago Adult Education Consortium's (RSAEC) planned allocations for 2023-2024 follow the Three-Year plan and are consistent with the current annual plan. Member districts will continue to work collaboratively on the main CAEP objectives. These objectives include meeting regional needs, continuing to identify gaps in the region, creating seamless transitions and approaches to accelerate student progress, incorporating shared professional development, and leveraging resources. In addition to the objectives, the consortium is actively working on distance education and breaking down barriers caused by the impact of the pandemic as well as the transition back to on-campus learning and support services. RSAEC members are committed to supporting students and community members with academic and career pathways that will lead to post-secondary education and/or career goal success. Prioritization will be placed on aligning with CAEP priorities and AB104 objectives and programs. RSAEC members believe that Adult Education is the cornerstone to providing equity and equal access to academic and career opportunities for all adult students and ultimately, those opportunities will positively impact the entire community.
