45 Rio Hondo Region Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 45 Rio Hondo Region Adult Education Consortium

Funding Channel: Direct Funded

Narrative: Each year the Consortium reviews the data and makes Consortium and member goals that align with the 3 year Plan. Do to the Covid-19 goals now reflect the need for safety measure to be in place for the opening of schools. As well as, safety measures for CTE courses, such as: dental, CNA, Construction, etc. As the numbers are down, members will continue to reach the 2% increase we had placed as a goal for 2021/2022, as measured by the 2020/2021 student data.

Changes: Changes are directly related to the closure of schools. That closure has effected everything and all goals. Funds will be activated to serve our adult student population. It will require a lot of time and effort to get students back in class and having positive performance outcome.
