A budget revision will be required for the 4th quarter as there was an increase in supplies and materials for the new Food Service and Hospitality class in addition to technology contracts/ licensing for the adult programs: ESL, CTE, and ASE. Under 6000 object code, technology upgrades were made to a Marquee which is used to promote adult education classes, schedules, calendar updates, and student accomplishments which is being encumbered from the roll over of 2020-2021 school year.
