Allocation Amendment Summary

Fiscal Declaration

Consortium Name: 46 About Students Regional Consortium, Riverside

Funding Channel: Direct Funded

Narrative: The ABOUT STUDENTS Consortium allocation distribution aligns with the annual plan focusing on sustaining members' program offerings, expanding short-term Career Technical Education programs, and improving outreach and communications to prospective students and the community. Members of the consortium are committed to data-driven decisions which will support literacy skill development for students and broaden workforce and post-secondary education opportunities. The consortium will continue to explore and provide additional opportunities to serve students needing workforce preparation, post-secondary transitions, and support for k-12 success. In the recent local regional data research project, the analysis demonstrates the need for additional services in areas lacking adult education services. As identified in the 2019-2022 3-Year Plan, the ABOUT STUDENTS Consortium goals are: 1. Strengthen industry and community partnerships and short-term CTE program offerings. 2. Strengthen the consortium's approach to connection with students, potential students, and the community at large. 3. Increase student success by clarifying pathways, expanding opportunities (e.g. articulation, certificates), and supporting students in achieving their goals. 4. Improve data collection and reporting practices to more accurately capture student performance and member/consortium effectiveness. The 3-Year Planning process has identified goals and strategies for regional focus and activities that members will engage in to build cohesive efforts and increase services.

Changes: The ABOUT STUDENTS Consortium members have elected to change the funding allocation for Moreno Valley Unified School District and Val Verde Unified School District. Previously, MVUSD maintained funding for VVUSD that was designated by the consortium for program start-up. With the completion of Val Verde Unified School District establishing an adult school and implementing systems for fiscal management and data accountability, the funding previously identified as VVUSD program funding, included in the MVUSD allocation, will now be directly allocated to VVUSD. Additional validation of Val Verde USD's commitment to serving adult students, the district provide LCAP funds to supplement its adult education program. As a result, MVUSD will have a decrease in its total allocation to reflect the transfer of funding to VVUSD. VVUSD will be a funded member.
